**Dealership Given to Whittlesey**

The DeSoto Plymouth Division of the Chrysler Corp. is pleased to announce the appointment of Whittlesey Motors to their local dealership in Torrance.

The firm is operated as a partnership by two brothers, George and Matthew Whittlesey.

"We are justly proud of our service and personnel who have been with the DeSoto Plymouth organization in Torrance for many years, the Whittlesey brothers said.

"We will have on display the beautiful new 1952 De Soto, outstanding product of Chrysler Corporation. We have a service department completely equipped with the most modern equipment and tools, staffed with mechanics trained in factory methods and using only parts approved by the factory."

"It is our aim to give to our customers the finest service obtainable. We guarantee that our work will be economical, efficient, and done without unnecessary delay."

"In fact, we intend to give the kind of service that goes with the kind of quality cars that we sell, the new DeSoto and Plymouth."
